The replacement must be used within 12 months of the Candidate termination date and may only be used for a like-for-like replacement of the same role in the same region of employment, unless agreed otherwise.

The Replacement Policy is only valid if the following conditions are met: the relevant Placement invoice is settled within 14 days and providing that termination is not a result of retrenchment, retirement, pregnancy, disability or death.

Should the Placement Fee of the replacement Candidate exceed the Placement value of the original Candidate, TAP will calculate and on-charge to the Client the additional Placement Fee based on the new Salary Package.
